Overview
For my final project, I am going to build a portfolio / digital resume that will showcase all of the basic information about my skills and education and visually display my new skills in JavaScript/ HTML & CSS.

Inspiration
Manchester Metropolitan University page
http://mmunionbuild.co.uk/

Technical Notes
- Single page site with timeline effect (jQuery/JavaScript)
- Will have clickable elements with pop-up information
- Responsive design ensures page appears the same on mobile
